

Ventura High School

PTSA FUNDRAISER

Learn lifelong safe driving skills. Help us achieve our fundraising goals.

Join us by participating in this exciting fundraising event. Our unique program features online instructional driving courses designed to help the entire family. By signing up and completing any of the courses below, we receive a generous commission that will benefit our 2008/2009 efforts.

**You can help by enrolling and completing
one of the following state-approved courses.**

California Driver Education – This course is DMV approved. Passing your drivers ed has never been easier. Completely online, this state-approved course provides students with a unique learning experience tailored to their specific needs and schedule. Work at your own pace. Study on your on time. **\$30 off our regular price.**

California Traffic School – Got a traffic ticket? Go online and forget about going to class. Fast and convenient, this course features short concise chapters for easy logons and logoffs. Take the course based on your timetable over a period of days, weeks or even months. Available in English and Spanish.

Mature Insurance Reduction Program – This DMV approved course is specially designed for drivers 55 and older, this Insurance Reduction course provides a state-mandated discount on your auto insurance. Featuring easy-to-do lessons, simple navigations and “easy starts and stops” technology, our Insurance Reduction course is a breeze. Plus, it is good for three years and can be renewed!
